Solomon had to think about change, and what he need to help him to rule well, and think about whether there were any changes he needed to make.

There are changes happening around us all the time, I wonder how many changes you can think of , bread to toast. In fact, perhaps make some toast. You may have some biscuit cutters you could gently press into the bread, enough to make a mark but not to go all the way through the bread. Then toast. Once the bread has changed to toast, it could start a discussion about what changes do we go through.

Once your toast is ready, cover it in your favourite spread and enjoy eating it or sharing it with others.

A prayer for when you get changed:

Bible Reading

2 Chronicles 1: 7-12

⁷ That night God appeared to Solomon. God said, "Solomon, ask for whatever you want me to give you." ⁸ Solomon answered, "You have been very kind to my father David. You have chosen me to be the king in his place. ⁹ Now, Lord God, may your promise to my father David come true. You have made me king of a very large nation. There are so many of them they are like the dust of the earth. ¹⁰ Now give me wisdom and knowledge so I can lead these people in the right way. No one can rule them without your help." ¹¹ God said to Solomon, "What you want is good. I have chosen you to be king of these people. You have not asked for wealth or riches or honor. You have not asked for your enemies to be killed. You have not asked for a long life. But you have asked for wisdom and knowledge to lead my people. ¹² So I will give you wisdom and knowledge. I will also give you more wealth, riches and honor than any king who has lived before you. And the kings who will live after you will not have as much."
